## Self-managed remote access (已经开通)

The screenshot shows the top section of an Elsevier article page. On the left is the Elsevier logo. The main title is "Flora - Morphology, Distribution, Functional Ecology of Plants" with a small "FLORA" journal cover image to the right. Below the title, it says "Volume 209, Issue 1, January 2014, Pages 34-44". The article title is "Orientation and withdrawal of pollination drops in Cupressaceae s. l. (Coniferales)". The authors are "Veit Martin Dörken<sup>a</sup>" and "Armin Jagel<sup>b</sup>". There is a "Show more" link. A prominent green box contains the text: "Are you connected with New York University? Enjoy full text access anytime, anywhere. Get remote access by entering your New York University email address." Below this is a green button labeled "Submit your email address". At the bottom left of the box is a "Purchase \$35.95" link, and at the bottom right is a link for "Other article locations". At the very bottom of the page, the DOI "doi:10.1016/j.flora.2013.11.005" and a "Get rights and content" link are visible.

用户所在机构订购了SD，但该机构不支持Shibboleth/OpenAthen，那用户在机构之外第一次使用SD的时候进入上图的文章主页面，如果点击Submit your email address输入机构email地址（即中科院各所域名为后缀的邮箱），注册或者登录，然后进入邮箱激活Remote Access。
